

EXHIBIT D

representatives of each of the foregoing, including all other Persons acting or purporting to act on behalf of one or more of them.

3. The terms “You,” “Your,” and “Broadcom” means Broadcom Inc., its predecessors, predecessors-in-interest, successors, successors-in-interest, affiliated entities, including all divisions and subsidiaries, and the officers, directors, employees, agents, attorneys, accountants, and representatives, including all other Persons or entities acting or purporting to act on behalf of it.

4. The term “Brocade” means Brocade Communications Systems LLC, its predecessors, predecessors-in-interest, successors, successors-in-interest, affiliated entities, including all divisions and subsidiaries, and the officers, directors, employees, agents, attorneys, accountants, and representatives, including all other Persons or entities acting or purporting to act on behalf of it.

5. The term “Extreme” means Extreme Networks, Inc., its predecessors, predecessors-in-interest, successors, successors-in-interest, affiliated entities, including all divisions and subsidiaries, and the officers, directors, employees, agents, attorneys, accountants, and representatives, including all other Persons or entities acting or purporting to act on behalf of it.

6. The term “License Agreement” shall mean the License Agreement, dated March 10, 2001, as amended, between Brocade Communications Systems LLC and SNMP Research International, Inc.

7. The term “SNMP Research Software” means any of the following: (i) software provided by SNMP Research to Brocade, (ii) software licensed by SNMP Research to Brocade, or (iii) any software created by SNMP Research which is or was in the possession of Brocade

and/or Broadcom. Notwithstanding the foregoing, SNMP Research Software does not include software rightfully distributed to a Broadcom customer under the Amended and Restated Key Distribution Agreement between SNMP Research International, Inc. and Broadcom Corporation effective as of February 21, 2019, for which it is undisputed that all license fees and royalties are fully paid. The foregoing categories include source code, compiled code, binary code, configuration files and data, associated Documentation, and Derivative Works thereof.

8. The term “Source Code” means Documents that reflect human-readable text written using a computer programming language that are nominally capable of being used to generate an executable software program.

9. The term “Derivative Work” means (i) any program or Documentation in Source Code form or binary form which (A) has been or is developed by Broadcom through the use of SNMP Research Software, or (B) includes any features, provisions, algorithms, or other portions of SNMP Research Software, or (ii) derivative works as defined in the Copyright Act.

10. “Document” is defined to be synonymous in meaning and equal in scope to the usage of this term in Federal Rule of Civil Procedure 34. A draft or non-identical copy is a separate Document within the meaning of this term.

11. “Communicate” or “Communication” shall mean any transmission of information by oral, graphic, written, pictorial, or other perceptible means, including, but not limited to, telephone conversations, letters, Documents, memoranda, notes, telegrams, facsimile transmissions, electronic mail, meetings, and personal conversations.

12. The unqualified term “Person” shall mean an individual, corporation, firm, company, sole proprietorship, partnership, unincorporated association, business association, or governmental entity.

13. “Identify,” “Identifying,” or “Identity” means:

a. When used in reference to a Person, to state his/her full name, present or last known address, present or last known telephone number, present or last known email address, present or last known place of employment and position held, and place of employment and position held at the time period covered by these Requests.

b. When used in reference to a Document, to state the date, author, type of Document (e.g., letter, memorandum, photograph, telegram, tape recording, email, etc.); the Person or Persons to whom either copies of it were sent, received, or otherwise distributed and their addresses or email addresses; and the present or last known location and custodian of the original of the Document and any copies thereof. If any such Document was, but is no longer, in Your possession or custody or subject to Your control, state what disposition was made of it, the date, by whom, and at whose direction;

c. When used in reference to a Communication, to state the type of Communication (e.g., letter, personal conversation, meeting, email etc.), and whether the Communication was oral or in writing. If the Communication was oral, state the date of the Communication, the parties thereto, the place and approximate time thereof, the substance of what was said by each party, and the Identity of all other Persons present; if the Communication was written, produce the writing;

d. When used in reference to an act, fact, or event, to state the substance of the act or event, the date, time, and place of performance, and the Identity of the actor and/or all other Persons present;

e. When used in reference to an omission, to state the substance of the act which You contend should or would have been performed, the time and date when such act should or would have been performed, and the Person who should or would have performed such act.

14. The term “Product” means each item that can be or has at any time been able to be separately ordered or distributed or provided as an updated to an existing Product, whether sold, leased, licensed, sublicensed, whether enabled or not, whether revenue bearing or not, including, but not limited to, hardware, software, services, or combinations of hardware, software, or services.

15. The term “Partner Product” means each Product of a third party that now, or has ever, whether in current distribution or not, contains, uses or is otherwise associated with SNMP Research Software either as manufactured or as a result of a software or firmware installation or update where the SNMP Research Software was obtained from Broadcom by such third party.

16. “Relates to” and “Relating to” means evidences, supports, connects, constitutes, contains, records, discusses, summarizes, analyzes, discloses, and/or refers to, in whole or in part.

17. “And” and “or” each shall be construed either conjunctively or disjunctively as necessary to bring within the scope of these requests for production any information or Document that might otherwise be construed to be outside its scope.

18. References to the plural shall include the singular; references to the singular shall include the plural.

19. References to the feminine shall include the masculine; references to the masculine shall include the feminine.

20. The requests below incorporate the above definitions without regard to the capitalization used in connection with the terms defined unless otherwise specified in each respective request.

INSTRUCTIONS

1. These following requests for production shall be considered continuing, and You are to supplement Your answers in a timely manner in accordance with the requirements of Federal Rule of Civil Procedure 26.

2. In their motion to dismiss, Brocade Communications Systems LLC and Broadcom Inc. represented that “Broadcom Inc. is a parent holding company and not a sales

operating entity, and thus does not sell or engage in any product development containing the software at issue in this case” Dkt. 40-1 at 10. In all requests below which refer to Broadcom, the requests seek information that includes Broadcom Inc. as well as any entity that Broadcom Inc., as a purported “holding company,” holds any interest, direct or indirect, and any company for which Broadcom Inc. serves as a direct or indirect “parent.” When responding to any request in which a complete and truthful answer would encompass any such entity(ies), please include and Identify the entity(ies).

3. SNMP Research has proposed a stipulation regarding the form of document production. That proposed stipulation shall serve as the means by which SNMP Research has specified the form(s) of production of Electronically Stored Information for each of these requests under Rule 34(b)(1)(C) of the Federal Rules of Civil Procedure. SNMP Research will in good faith attempt to reach agreement with You on the stipulation. Absent such agreement, You shall produce Documents in a form or forms in which they are ordinarily maintained or in a reasonably usable form.

4. If You contend that You are entitled to withhold from production any or all Documents requested herein on the basis of the attorney/client privilege, work-product or other grounds, Identify the nature of the Document(s), (e.g., letter or memorandum) the date for same, the author, and the Person to whom the Document was addressed; Identify each individual who has seen the Document, each individual who has received a copy of the Document and/or from whom the Document was received, and state the basis upon which You contend that You are entitled to withhold the Document from production.

5. Unless otherwise indicated, the time limits for each and every Document request included herein are from January 1, 2017 to the present.
